Applicant			•				
Phase-In AB et al							
This opinion contains indications relating to the following items: Box No. I Basis of the opinion Box No. II Priority							
Box No. III Non-establishment of opinion with regard to novelty, inventive step and industrial applicability							
Box No. IV Lack of unity	of invention						
Box No. V Reasoned statement under Rule 43bis.1(a)(i) with regard to novelty, inventive step or industrial applicability, citations and explanations supporting such statement							
Box No. VI Certain docum							
	ets in the international ap	plication					
Box No. VII Certain defects in the international application Box No. VIII Certain observations on the international application							
2. FURTHER ACTION							
If a demand for international preliminary examination is made, this opinion will be considered to be a written opinion of the International Preliminary Examining Authority ("IPEA") except that this does not apply where the applicant chooses an Authority other than this one to be IPEA and the chosen IPEA has notified the International Bureau under Rule 66.1bis(b) that written opinions of this International Searching Authority will not be so considered.							
If this opinion is, as provided above, considered to be a written opinion of the IPEA, the applicant is invited to submit to the IPEA a written reply together, where appropriate, with amendments, before the expiration of 3 months from the date of mailing of Form PCT/ISA/220 or before the expiration of 22 months from the priority date, whichever expires later. For further opinions, see Form PCT/ISA/220.							
3. For further details, see notes to Fo	orm PCT/ISA/220.		•

WRITTEN OPINION OF THE INTERNATIONAL SEARCHING AUTHORITY

International application No. PCT/SE2004/000617

Box No. I	Basis of this opinion
in which	ard to the language, this opinion has been established on the basis of the international application in the language it was filed, unless otherwise indicated under this item.
_	is opinion has been established on the basis of a translation from the original language into the following language, which is the language of a translation furnished for the purposes of international search (under Rules 12.3 at 1(b)).
	. (0)).
2. With reg	ard to any nucleotide and/or amino acid sequence disclosed in the international application and necessary to the nvention, this opinion has been established on the basis of:
	of material
Ä	a sequence listing
	table(s) related to the sequence listing
b. forma	at of material
	in written format
	in computer readable form
c. time	of filing/furnishing
	contained in the international application as filed.
	filed together with the international application in computer readable form.
	furnished subsequently to this Authority for the purposes of search.
~	n addition, in the case that more than one version or copy of a sequence listing and/or table relating thereto has be led or furnished, the required statements that the information in the subsequent or additional copies is identical to nat in the application as filed or does not go beyond the application as filed, as appropriate, were furnished.
fi ti	n addition, in the case that more than one version or copy of a sequence listing and/or table relating thereto has be led or furnished, the required statements that the information in the subsequent or additional copies is identical to nat in the application as filed or does not go beyond the application as filed, as appropriate, were furnished.
fi ti	led or furnished, the required statements that the information in the subsequent of additional explication as filed or does not go beyond the application as filed, as appropriate, were furnished.
fi ti	led or furnished, the required statements that the information in the subsequent of additional explication as filed or does not go beyond the application as filed, as appropriate, were furnished.
fi ti	led or furnished, the required statements that the information in the subsequent of additional explication as filed or does not go beyond the application as filed, as appropriate, were furnished.
fi ti	led or furnished, the required statements that the information in the subsequent of additional explication as filed or does not go beyond the application as filed, as appropriate, were furnished.
fi ti	led or furnished, the required statements that the information in the subsequent of additional explication as filed or does not go beyond the application as filed, as appropriate, were furnished.
fi ti	led or furnished, the required statements that the information in the subsequent of additional explication as filed or does not go beyond the application as filed, as appropriate, were furnished.
fi ti	led or furnished, the required statements that the information in the subsequent of analytical action as filed or does not go beyond the application as filed, as appropriate, were furnished. nal comments:
fi ti	led or furnished, the required statements that the information in the subsequent of additional explication as filed or does not go beyond the application as filed, as appropriate, were furnished.
fi ti	led or furnished, the required statements that the information in the subsequent of analytical action as filed or does not go beyond the application as filed, as appropriate, were furnished. nal comments:
fi ti	led or furnished, the required statements that the information in the subsequent of additional exploration at in the application as filed or does not go beyond the application as filed, as appropriate, were furnished. nal comments:
fi ti	led or furnished, the required statements that the information in the subsequent of analytical action as filed or does not go beyond the application as filed, as appropriate, were furnished. nal comments:
fi ti	led or furnished, the required statements that the information in the subsequent of additional copy of an attitude application as filed or does not go beyond the application as filed, as appropriate, were furnished. nal comments:
fi ti	led or furnished, the required statements that the information in the subsequent of admittoring experiments that in the application as filed or does not go beyond the application as filed, as appropriate, were furnished. nal comments:
fi ti	led or furnished, the required statements that the information in the subsequent of additional copy of an attitude application as filed or does not go beyond the application as filed, as appropriate, were furnished. nal comments:
fi ti	led or furnished, the required statements that the information in the subsequent of admittoring experiments that in the application as filed or does not go beyond the application as filed, as appropriate, were furnished. nal comments:

WRITTEN OPINION OF THE INTERNATIONAL SEARCHING AUTHORITY

International application No. PCT/SE2004/000617

Box	No. V	Reasoned statement u applicability; citations	nder Rule 43 and explana	bis.1(a)(i) with regard to novelty, inventive step or industrial ations supporting such statement	
1.	Statemen				
Novelt	ltv (N)	Claims	1-10	_ YES	
	Notelly (14)		Claims		_ ио
ı	Inven	tive step (IS)	Claims Claims	1-10	YES NO
Indu		ıstrial applicability (IA)	Claims	1-10	_ YES
			Claims		_ NO

2. Citations and explanations:

Documents cited in International Search Report:

D1: US 5 693 944 A D2: US 6 216 692 B1

D3: Patent Abstract of Japan, abstract of JP 61-258 718 A

The cited documents represent the general state of the art. The invention defined in claims 1-10 is not disclosed by any of these documents.

The cited prior art does not give any indication that would lead a person skilled in the art to the claimed air gas analyzer window or the claimed method for producing such a window. Therefore, the claimed invention is not obvious to a person skilled in the art.

Accordingly, the invention defined in claims 1-10 is novel and is considered to involve an inventive step. The invention is industrially applicable.
